

Richard St Marie Bio

I retired from Merced County as the Director of Administrative Services with the Sheriff's Office. I spent a total of 32 years working for both Merced and Fresno Counties. After retiring in 2017, I went to work for the County of Los Angeles as the Executive Director of the Justice Information Systems Advisory Board. I left Los Angeles and returned home in 2020. I am currently employed as a Community Services Officer with the Merced Police department. I look forward to spending some time on the REMCO board and helping the organization as much as I can.
